Fostering peer-to-peer exchange of Indigenous and local knowledge (ILK): ILK_Move

Article at UNESCO Website, 2024

unesco

ICEBREAKER

The background is a solid dark blue color. It features several overlapping, semi-transparent circles of varying sizes. On the right side, there are thin, white, wavy lines that resemble a topographic map or a stylized landscape. The overall aesthetic is modern and minimalist.

Sailing together towards weaving ILK in NEAs: Poster Exercise

ILK_Move Sailing: North-South-North

5°N, 20°N

THAILAND

Encouraged 3 Chao Lay communities to collect ILK and biodiversity data through Field School Project
Organized capacity building and knowledge enhancement for lead/contributing authors through ILK workshop
Conducted study, and field visits and workshops in selected sites & selected pilot areas consisting of 3 coastal communities

17°N, 20°N

DOMINICAN REPUBLIC

Organized 2 authors workshops, + ILK sessions
Created ILK TWG
Approved BES forum to integrate local communities
Upcoming ILK data collection:

- To develop 2 case studies
- Dialogue workshops

 Upcoming 2 capacity-building workshops

Equator

9°S, 17°S

MALAWI

Engaged IPLCs in Vwaza and Zolokere sites
Organized authors' write-shops
Organized capacity building for all authors including ILK authors
Collected ILK data in northern and southern Malawi
Upcoming authors' write-shops

BOTSWANA

17°S, 27°S

Organized a 5-day write-shop on a First Order Draft of LAs and CLAs
Organized community dialogues to assess:

- Agroecosystem in western BW
- Aquatic, wetlands, forests & woodlands in northern BW

WEAVING ILK IN NEA

Botswana

Appointed 2 new TK Authors to join the BW-NEA TK Team

***Interweaving TK in into first order draft**

Thailand

Developed assessment report outline that includes a dedicated chapter on ILK

ILK-related questions and issues incorporated into other chapters

***Develop zero order draft, and incorporating illustrated ILK cases from contributing authors**

Dominican Republic

Updated ILK sub policy questions/topics and ILK included in all chapter outlines

ILK authors integrated in ILK data gathering activities

***Interweaving ILK into zero order draft**

Data Collection

ILK Literature Review

Malawi

ILK contributions from IPLCs featured in the draft technical report

***Interweaving ILK into zero and first order draft**

*Q3-Q4 plans

From Local to Global Awareness: Making ILK visible

Botswana

Developed documentary on Traditional Knowledge & Ecosystem Services: Botswana's Next Diamond to highlight TK work within the BW NEA

Conducted community feedback through community dialogues

Dominican Republic

Upcoming short ILK video that will be produced during the ILK data gathering stage

Upcoming ILK booklet for school children to connect kids with local biodiversity and ecosystems

Malawi

Promoted ILK documentary highlighting real-life insights and stories from field data collection exercise

Upcoming second ILK documentaries

ILK news articles via national media

Thailand

Promoted 4 ILK documentary videos in English and Thai

2 ILK articles published and promoted

Upcoming - sharing the main content of zero draft to 3 Chao Lay communities undergoing Field School Project

Global

Contributing: CBD SBI-04 event: Embracing ILK

Contributing: to HRBA dialogue series

Upcoming: CBD 16 and Nature-Culture Summit

INTERACTIVE SESSION

The background is a solid dark blue color. It features several overlapping, semi-transparent circles of varying shades of blue. On the right side, there are faint, light blue wavy lines that resemble a topographic map or a stylized landscape. The overall aesthetic is modern and professional.
